

"Let's LAUNCH each day!"

Dear Parents,

Your child is your world. You love them with your whole heart. Please know that this year they will become my world too.

With love and encouragement, I will help your student reach new heights as a worthwhile and capable learner and leader. Each child will be treated with respect and will be challenged to reach the highest level of academic performance. Students will be encouraged and motivated to work hard, participate, and complete assignments in a timely manner. Our classroom will foster inclusion, kindness, patience, sensitivity, and respect.

One of the most important elements of any classroom management system is an abundance of positive feedback and connections. There will be many opportunities for each child to be recognized and rewarded each day. Rules are a necessary and important aspect to any organization and can help individuals reach goals and perform successfully.

***Our Class Rules: (because we want to LAUNCH each day)***

- L: Learn and lead each day
- A: Always do our best
- U: Use kindness and respect to UPLIFT
- N: Nurture curiosity
- C: Challenge ourselves each day
- H: Help others and have patience

## RULES ARE IMPORTANT
