

Welcome to 4th Grade ALPS!

The most important element of any classroom management system is an abundance of positive feedback and connections. There will be many opportunities for each child to be recognized and rewarded each day.

Below is a chart of the basic rules that are in place for our classroom. This classroom management system is based on the philosophy that every child has the right to learn in an environment that is safe and loving, with limited distractions. Teachers also have the right to teach every student according to their needs.

Class Rules

Be Respectful	Be Responsible	Be Safe
