Members in attendance:

Rachel Kaufman

Welcomed everyone to the meeting.

Kristen Neilsen spoke of the opportunity for the school to purchase the rights to get a play for the school to perform. The upper grades of 4-6 being able to try out for the play. The plays that Mrs. Nielsen and Mrs. Birnell are choosing between are Seussical Jr. or Jungle Book Jr.

The cost for the rights of the play are between \$700-\$800. After we are told yes or no from the company with the play then we are able to reach out to the moms/dads/guardians in the community for assistance with any kind of decor/catering/etc, that they would be able, or willing, to help with.

Due to the lack of a proper quorum we are unable to vote in the meeting, but per previously put in place rules of email votes an email will be sent for votes regarding this sponsorship opportunity.

Rachel Kaufman asked several questions that were premature due to the play not yet being approved. They will be asked again after there is a vote resolution on the play.
